

ZGT209

PFPE - Authorised / Competent Inspector

COURSE OVERVIEW

This course is designed to equip delegates with the necessary skills and knowledge required to enable them to inspect, care for, store and dispose of fall protection.

Pre-requisites

All delegates wishing to take part on this course will need to have prior knowledge/experience in the use of fall protection equipment.

Who Should Attend?

People responsible for carrying out statutory recorded inspections, maintenance and disposal of personal fall protection equipment. This course will provide sufficient information to allow the delegates to form a judgement on the state/condition of an item of fall protection equipment and whether to keep it in service.

COURSE OBJECTIVES AND CONTENT

- Responsibilities of the Duty Holder
- PPE legislation
- LOLER '98
- Marking of equipment
- Record production
- Inspection procedures
- Fault diagnosis
- Controlled disposal procedures
- Introduction to the rescue equipment
- Equipment inspection and care

Certification

All delegates receive a certificate and ID card valid for 3 years.

Course Ratio / Duration

10:1 (10 delegates to 1 instructor)
7 guided learning hours i.e. 1 day
